To

The Secretary to the
Government of Mysore
Rev. and Ag. Dept.

Sir,

I have the honor to request sanction to the appointment as Sanitary Inspector of the City Municipality, of Varadaraju, Assistant Sanitary Inspector and Prosecuting Inspector, consequent on the deputation of Ramaswami Pille for Plague work in Ward No I. Though Ramaswami Pille has been drawing a salary of ~~Rs~~ 50+20, it is proposed to give Varadaraju the full pay of the appointment viz, Rs 60+20 during

during the time he works as Sanitary Inspector as an increase of Rs 5/- to his pay which is now 45/ will not be a sufficient remunera-tion for the hard work that he is expected to do at a critical time like the present.

2. I may add that in anticipation of Government sanction I have directed Varadaraju to enter upon his duties as Sanitary Inspector.

I have the honour to be
Sir
Your most obedient servant.

W. H. ... [illegible]
President

The above recommendation is in accordance with Govt Order Section 13 of the Local Fund Code. Action may be taken in this case under Rule 18 of the Code (LC No 18)

There was a Strike of Scavengers & of Sweepers. Some of these had died from plague. The Conservancy was at a stand still & it was impossible to go thro the City for the Smells & rubbish lying about on all sides. The President & his assts went to work & remedy the evil & shewed great resourcefulness & energy in bringing the arrangements into working order - & Varadaraya was of the greatest help to the authorities. I would waive the rules & orders on the 4 points & confirm Varadaraya on the pay proposed. It is not a question of passing tests in medicine & sanitation but powers to organize & deal with people. What we want in this crisis is a man that can rid the city of the accumulated rubbish & the corpses & dead rats. If the Govt proposes to not allow of Varadaraya being called Sanitary Inspector he may be called something else & put in charge of Sanitary establishment & some body else with the qualifications

The Carts would Com & remove the Rubbish lying in the streets & bury it

required being called Sanitary Inspector & the requirements of the post - Orders
